Clean up, but not too much

November is the month we tend to clean up our gardens for the winter. When tidying up remember to leave standing stalks and seed heads. They provide critical winter food and shelter for birds and butterflies. Avoid cutting back hollow stems as they provide shelter and nesting spots for bees and insects. Learn more here.

Sow seeds now

Late fall is an ideal time for sowing seeds. Scatter annual and perennial seeds directly on the ground or in beds so winter rains and cold temperatures can trigger natural germination for the spring. For more, click here.

Hometown Celebration Work Party

The Evergreen Committee will participate in the Ridgefield's Hometown Celebration in December with a centerpiece kids craft. To prepare, they will host a work party **Tuesday, November 10th from 10:00 a.m. to 1:00 p.m.** at 200 N 4th Ave. Learn more and sign up here.

Donate Mugs

Save and donate Christmas or winter style mugs for our Evergreen Committee centerpiece kids craft in December. We still need a couple hundred more mugs. They can be dropped off at Season's Coffee Shop in Ridgefield, brought to the November meeting, or sign up for the work party above.

November 2026

Monthly Meeting:

Thursday, November 19th
10:00 a.m. to noon
TMI Building

Speaker:

Jane Tesner Kleiner, Landscape Architect, Nature Play Designs

"Nature Gardening: Using the Flow of Nature for Low Maintenance Garden Design"

The Great Ivy Pull

Removing Ivy is crucial to preserving our local ecosystems. Learn more here. Thank you for coming out last month to this joyful event. Here is another opportunity to help our enviroment and meet new friends. **Saturday, November 14th, 8:45 am to noon** at Abrams Park in Ridgefield, we will pull together. Additional info here.
